City Fresh is a nonprofit program that works to make fresh, locally grown fruits & vegetables available at affordable prices throughout the region. We use volunteers & pre-order produce to offer our customers the most food at a discount.

You can use SFMNP food vouchers to purchase City Fresh Share Bags at your local **Fresh Stop**. All Share Bags must be ordered one week in advance and payment is expected when picking up your share.

The contents of each bag will **vary** according to what produce is available that week.

Please note that one SFMNP voucher is equal to the value of one Senior Share. A **Senior Share** contains approximately \$5.00 worth of food.

*Additional discounts are available for seniors. Please ask your local Fresh Stop volunteer for details.
